

Octagonal Refrigerated Deli Island Merchandiser with Refrigerated Self Serve Food End AROCT-SALSA

Features and Benefits

Octagonal shaped Fiberglass seamless body that offers an esthetically pleasing appearance as well as customer accessibility to merchandise.

Refrigerated Grab-n-go 1-end with self serve cold food wells opposite end.

Innovative removable 5" high by 3/8" thick acrylic perimeter fence system to enhance performance, cleanability, and ease of replacement.

3/8" thickness offers a more stable and straight appearance over the typical 1/4" thick perimeter fences.

Center discharge for refrigeration performance, wire rack/shelving support, as well as additional product merchandizing.

Lighted shelving

Perimeter Bumper offers esthetic protection to case exterior.

Adjustable horizontal sneeze glass for merchandising on top.

UL and NSF Certified
